Alphabetic Spellers App

These printable sorts and resources go hand-in-hand with our customizable Word Study App for beginning spellers called **Alphabetic Spellers.** http://bit.ly/2uNvEVq

Although the app is very comprehensive, we recommend that you introduce the sort and include other spelling activities, like having the learner write the words from the sort.
These printable activities give you the resources you need to make word study for your Alphabetic Spellers even more effective.
