

Shamrock Sorting with SH & CH

Use the SH & CH cards (pg. 2 of download) to match them with the picture cards on page 3.

A couple of my ideas are to use these to make a file folder game or match them on a pocket chart.

I've also included some blank cards (pg. 4)

Answers:

SH-shark, ship, shapes, shoe, sheep, shop

CH-chop, chick, chain, chair, chimpanzee, chimney
