CVC Word Puzzles

Print pictures off onto cardstock and laminate for durability. Cut out on the dotted lines to create a 3-piece puzzle for each word.

Create three workspaces for the puzzle pieces. (We used the floor for this activity.)

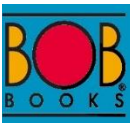

1. Initial letters
2. Middle letters
3. Final letters

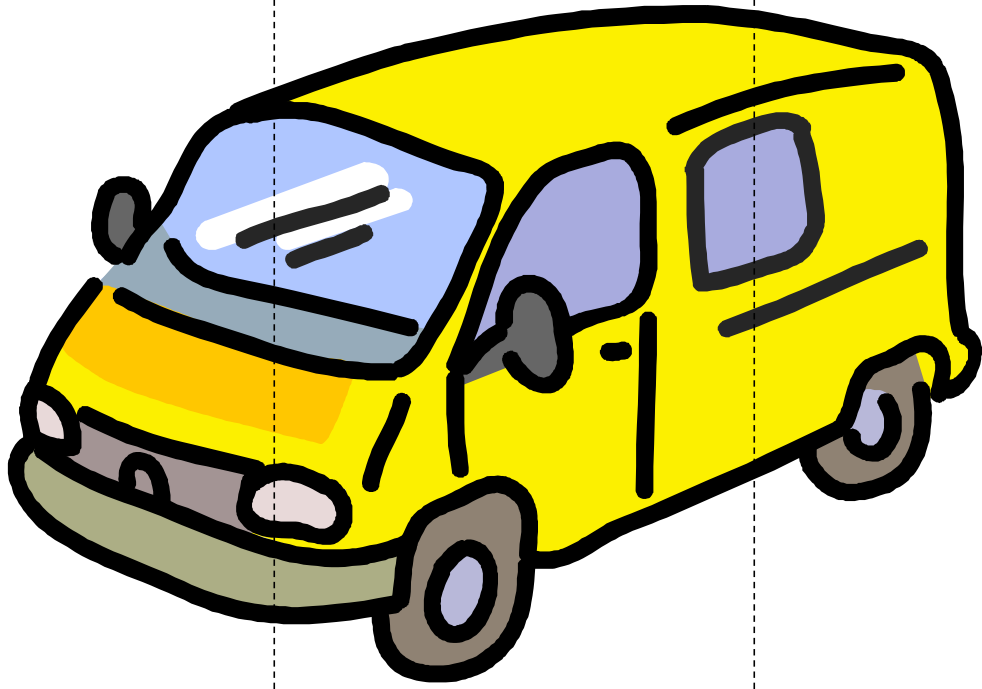

*Help your child locate the initial, middle, and final letters that create the CVC words. The pictures will match up to provide extra support.

*Once each puzzle is complete, help your child read the word like this: /v/-/a/-/n/ (with a space in between each letter sound), then blend the sounds quicker: *van*

Three circles are arranged horizontally: a black outline circle, a red outline circle, and another black outline circle.

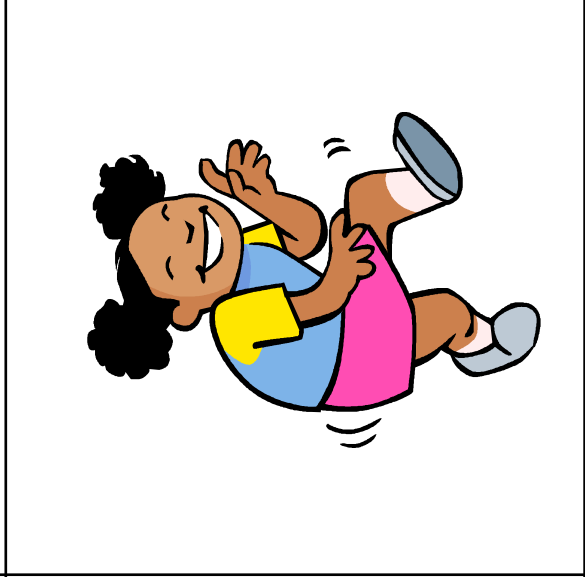

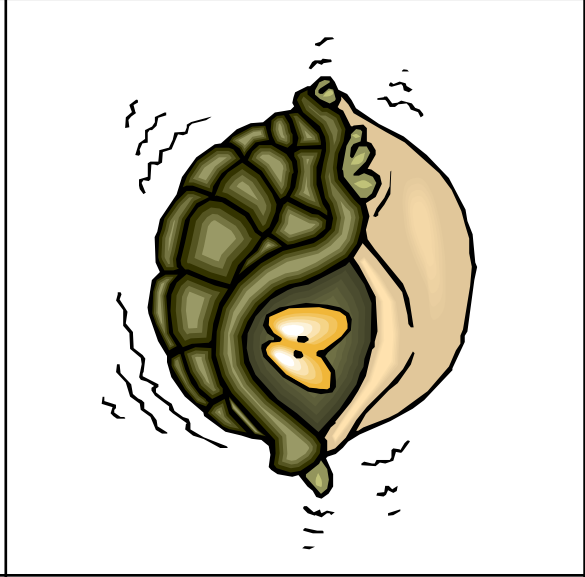

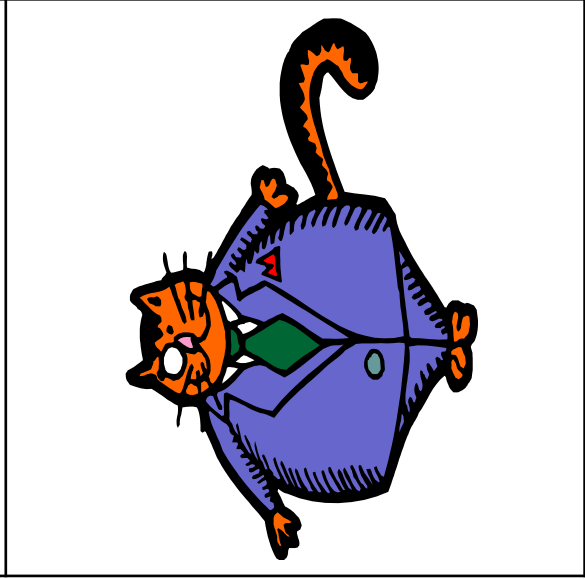

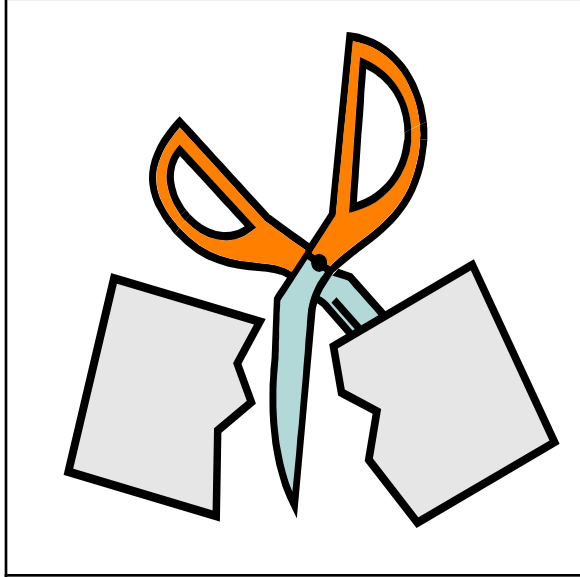

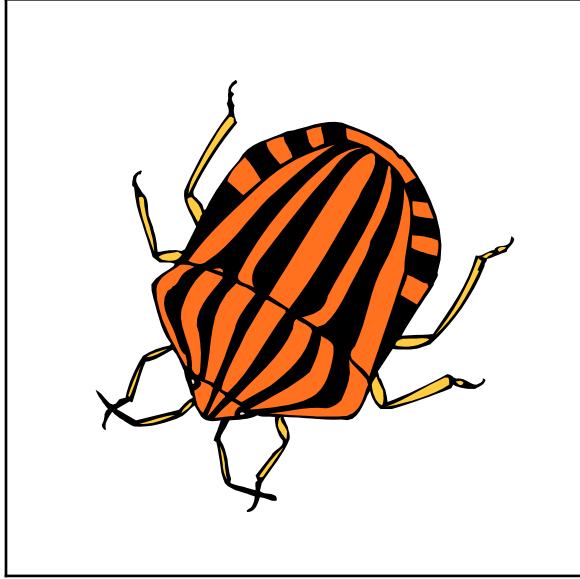

A large empty rectangular box is positioned to the right of the circles, intended for writing the words.

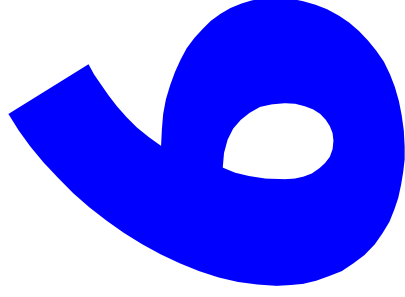

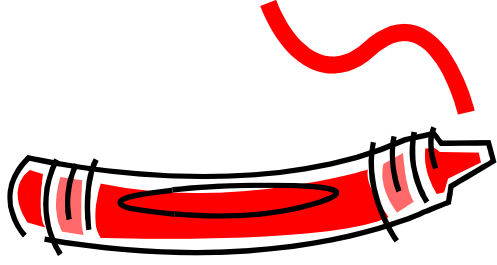

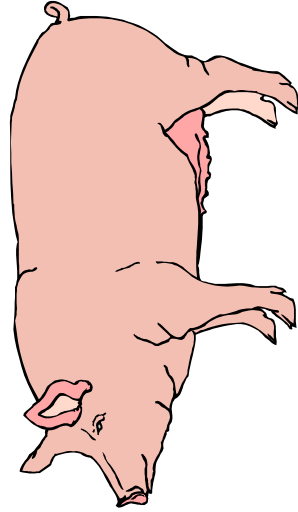

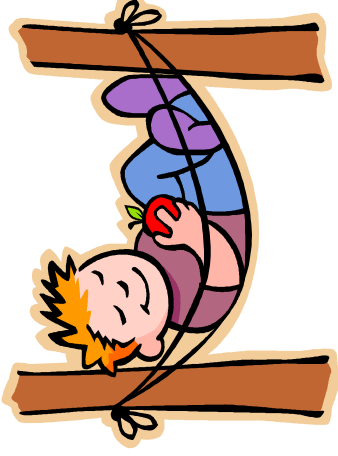

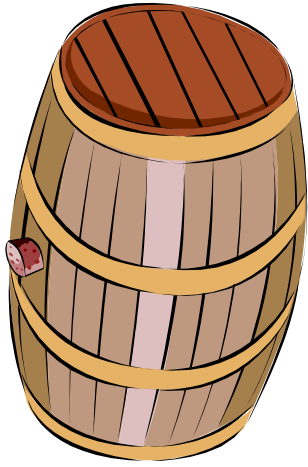

Bottle Cap Spelling Mat

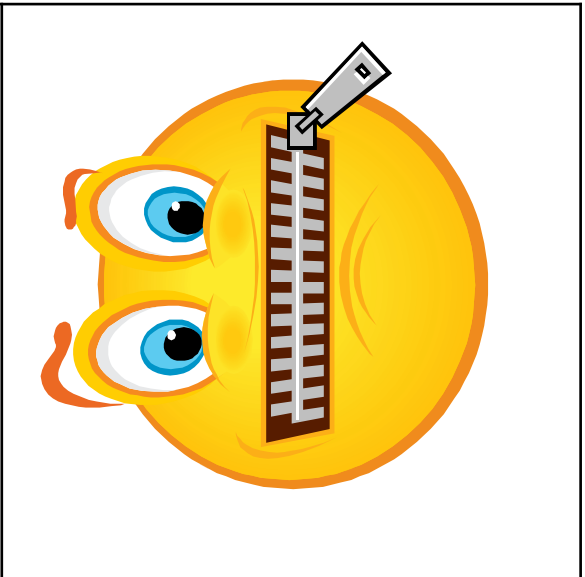

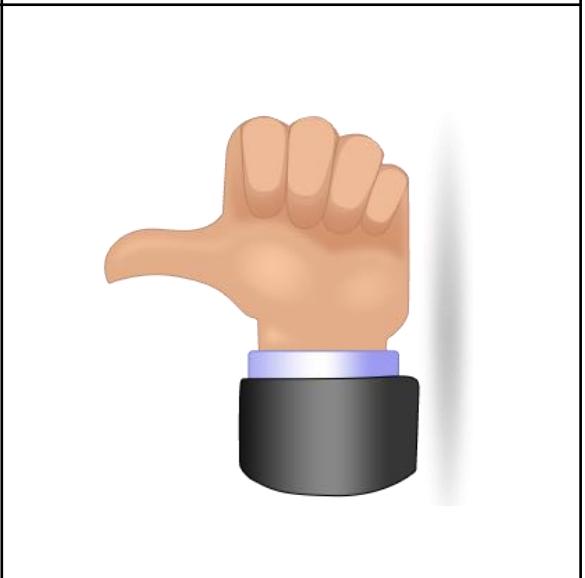

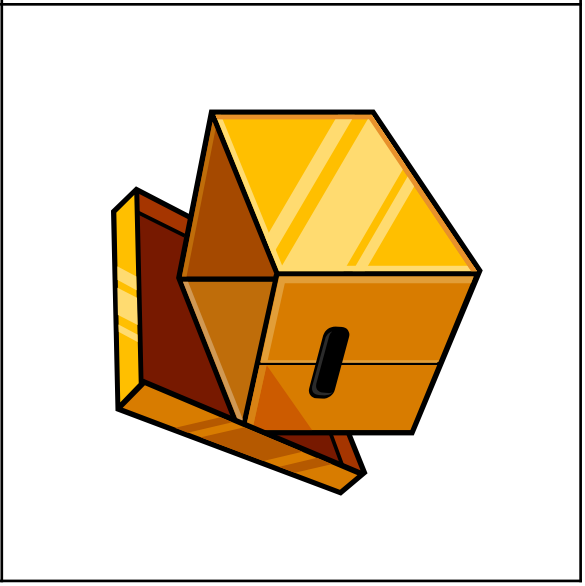

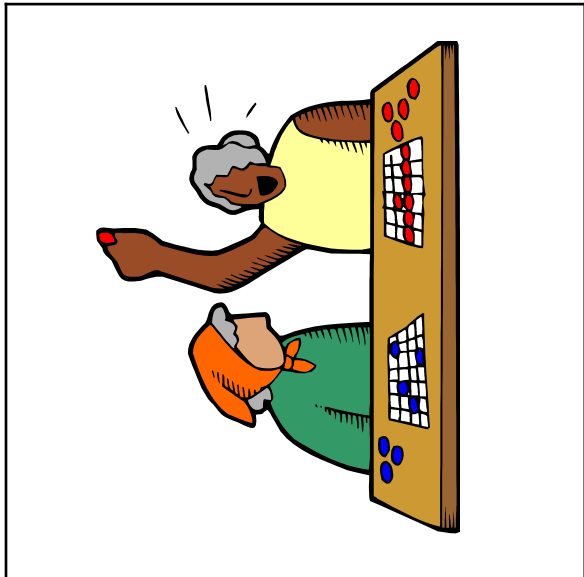

Directions:

- *Gather bottle caps from water bottles or plastic soda bottles, write letters on the tops, and use them to spell CVC words. Use red tops for vowels, or write the vowels with red marker.
- *Print the Bottle Cap Spelling mat (1 for each student) & CVC pictures onto cardstock and laminate for durability.

To make this activity self-checking, write the word on the back of each laminated picture.
