Roll-a-Rhyme

Prep Work:

Print off pictures onto cardstock, cut out, and insert into education cubes. If you do not have education cubes, you can purchase them from www.educationcubes.com or make your own with dice with a cardboard box (such as a Priority Mail box). You can also use your creativity to adapt the game in a different way.

How to Play:

Players take turns rolling the two dice. On the player's turn, he reads the word on each die and tells if they rhyme or not. If they do not rhyme, the next player takes his turn. If a player rolls words that DO rhyme, he gets to roll again. Players can also keep score with a point given each time a player rolls a rhyme.
