

Ww Cutting Practice & Pattern Cards

**I recommend printing these onto cardstock to make it easier for the child to cut.*

**To prepare for the child, cut along the darker, horizontal lines first to create 4 separate strips. (like the strip below)*

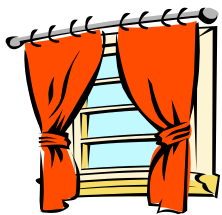

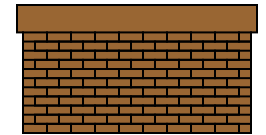

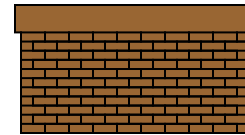

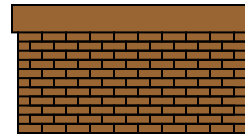

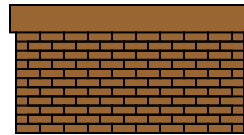

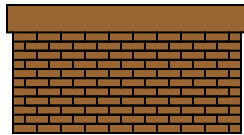

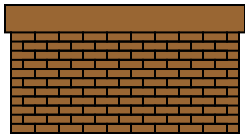

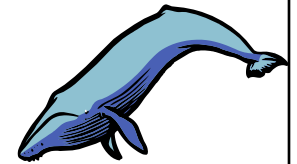

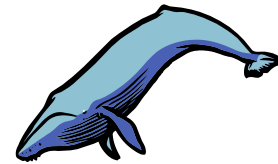

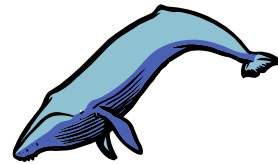

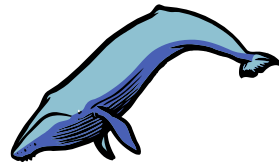

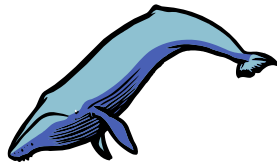

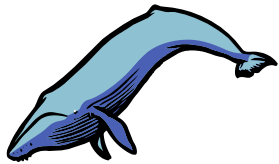

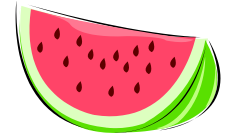

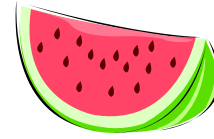

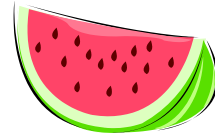

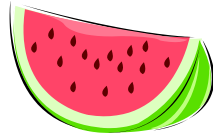

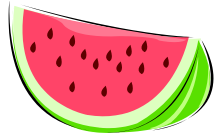

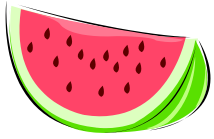

**Give the strips to the child and ask her to cut along each dotted line to make six separate picture cards for each row.*

**This can be used as a stand-alone cutting activity OR the little cards can then be used to make patterns together with your child. (such as watermelon, whale, watermelon, whale, etc. or wall, wall, window, wall, wall, window, etc.) By saying the picture names in the pattern aloud, you are emphasizing the /w/ sound!*

**Use the color version to save time or the black & white version to save ink!*
