

# Watermelon Print Awareness

## Directions:

- Ask your child to draw or create a slice of watermelon and draw or paint some "seeds" on the watermelon.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order and let him help you put them back in the right order.
- Glue them down on a piece of paper and attach.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!
