

UG Family Cutting Practice & Pattern Cards

**I recommend printing these onto cardstock to make it easier for the child to cut.*

**To prepare for the child, cut along the darker, horizontal lines first to create 4 separate strips. (like the strip below)*

**Give the strips to the child and ask her to cut along each dotted line to make six separate picture cards for each row.*

**This can be used as a stand-alone cutting activity OR the little cards can then be used to make patterns together with your child. (such as: bug, rug, bug, rug, etc. or bug, mug, mug, bug, etc.) By saying the picture names in the pattern aloud, you are emphasizing the rime (UG) in these words!*

**Use the color version to save time or the black & white version to save ink!*
