Cut any of the pictures and attach to a popsicle stick, like this. The pointer can be used to point to the words as the child reads the emergent reader.
Cut apart and sort each picture as having 1 or 2 syllables.

1 Syllable: nose, eyes, ear, leg, mouth

2 Syllables: eyebrow, belly, elbow, ankle, finger
5 Senses Picture Sort

To Prep:
*Print onto cardstock, cut out and laminate for durability.

Directions:
*For use with pocket chart or on floor/table space.
*Sort each picture under the predominant sense used.
Picture Key Included.

Part Matching Game

To Prep:
* Print onto cardstock and laminate for durability.
* Cut apart and use to match up the parts.
* Use a pocket chart or floor space.

To Play:
* Set up as a pocket chart matching activity or simple memory match game, turning over two cards at a time to find matches.

* For more advanced students, add the words on pg. 5 of download into the mix. Instead of matching or turning over 2 cards at a time, match/turn over 3, including word cards. (See below)
