

# Animal Kingdom Pack

1. Animal Kingdom Picture Sort
2. Animal Field Trip Recording Sheets
  - \* Pet Store
  - \* Zoo Trip
  - \* Science Museum
3. Animal Kingdom Sorting Headers (use with field trip recording sheets)
4. Animal Kingdom Group Recording Sheet

After you'd studied a particular animal group, ask the child to fill out the organizer with: characteristics of that group, examples of animals in the group, and common habitats. A great summative activity!
5. Comparing Animal Groups (Venn Diagram)

This pack was designed for use with your child at home or classroom of children in a school environment. Please feel free to share by linking to the post that contains this free pack.

Thank you!

# Animal Kingdom Picture Sort

Directions: Cut apart the head words (on this page) and all animal pictures. Sort each animal under the correct animal kingdom. Copy onto cardstock and laminate for durability.
