Bad Apples

Sorting words with and without the short *a* sound

Directions: Cut apart the apple trees and “bad” apples pieces. Sort each apple under the tree in which it belongs, based on the sound that the *a* makes in the word.

Generalization: When *a* is followed by *r*, *w*, or *l* or comes after *w*, it often does not make the short *a* sound.

Print onto cardstock and laminate for durability.
