

Visualizing Letters Pre-Writing Activity

If needed, use these vocabulary cards as visuals for your preschooler as you give your letter clues. These work best with upper case letters.

diagonal line

vertical line

horizontal line

To Play:

Give your child visual clues about a “secret” letter. Once you’ve given your clues, see if your child can guess the letter you were thinking about.

For example, I might give these three clues for capital letter A: “It has two diagonal lines that meet at the top. It has one horizontal line. What letter am I thinking of?”
