

1-2-3 SPELL IT!

1-2-3 SPELL IT! is meant to be more of a challenge for those readers and spellers who are ready to take it to the next level!

To Prep:

- Print off one game board for two players to share.
- Print off letter cards* for the game of your choice AND the Wild Cards (p. 14).

To Play:

 (played similarly to *Uno*)

- Deal each player 7 cards.
- Players hold their 7 cards in their hand so they (but no one else) can see them. Extra cards are placed facedown in a pile.
- Decide who goes first.
- Player one starts the game by looking at the cards in his own hand to see if he can build another REAL word on the game board (remembering to pay attention to the number at the bottom right-hand corner of each card). If he is able to, he places his card down on the game board, reads the real word he made, and his turn is over (for example, he could turn *name* in into *same*).
- If the player is not able to build another REAL word, he draws a card from the pile. If he draws a card that he can play, he does so and his turn is over.
- If a player draws a Wild Card at any time, he can make that card any letter he wants (consonant, blend, digraph, or vowel pattern to help him create a real word). The player needs to state what letter(s) his Wild Card represents.
- Play continues in this manner, with players taking turns, until one player runs out of cards.

This card goes in the 3rd space on the game board.

Variation:

- If more than 2 players want to play, print off more copies of the letter cards and Wild Cards.
