- Print Blend Bingo picture cards on cardstock. Laminate for durability

Terms of Use: This free printable was created for you to use at home with your child/students or with multiple children in a classroom/tutoring setting. Please **do not** sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, etc.). Thank you!

To Play:

- (Each person needs a game board and something with which to cross off or cover up the words on her board)
- Turn the Blend Bingo picture cards facedown in a pile
- Players take turns picking a Blend Bingo picture card, turning it over, and calling out the word
- All players look for that word on their BINGO board (it does not matter which column it is in)
- The first player to cover all her words in a row wins and shouts, "Blend BINGO!" (You can choose to play many different ways. For example: whoever covers all four corners or whoever covers all their words in a particular column first, etc.)
