

Homemade Playdough Recipe

*Ingredients:

- 1 cup of water
- 2 tsp of oil (I use vegetable)
- food coloring
- 1 cup of flour
- ½ cup of salt
- 2 tsp Cream of Tarter

*When I double the recipe, I add just about ½ tsp more oil.

Directions:

1. Mix water and oil together in a bowl. Add in food coloring and stir.
2. In a pot mix the flour, salt and cream of tarter together.
3. Add the water/oil/food coloring mix to the dry ingredients and stir until blended well.
4. Cook over medium heat, stirring constantly, until it reaches playdough texture.
5. Remove from the pot and let it cool.
6. Place the playdough into a gallon zipper bag and “knead”. (Kids like to help with this process.)
7. Optional: Add more food coloring, if desired color has not been reached.
8. Optional: Add glitter or scent to the dough.

**I have been using this recipe for about 10 years now and do not know the original source.
