Roll a Word

For use with education cubes. If you do not have education cubes, you can purchase them at www.amazon.com (they are called photo stacking blocks), make your own cubes with priority mail boxes, or adapt this activity without use of the cubes.

To Prep:

- Print onto cardstock for durability (you can also laminate inserts, but it's not necessary).
- Place all the onset cards (blue) into one cube and the rime inserts (red) in another cube.

To Play:

- The student rolls the onset cube, then rolls the rime cube.
- Slide the cubes side-by-side to "spell" each word. Example:
- Read each word made.
- As an extension, the student can use the Recording Sheet to write the rolled words. .
