# Roll a Word

For use with education cubes. If you do not have education cubes, you can purchase them at [www.amazon.com](http://www.amazon.com) (they are called photo stacking blocks), make your own cubes with priority mail boxes, or adapt this activity without use of the cubes.

## To Prep:

- Print onto cardstock for durability (you can also laminate inserts, but it's not necessary).
- Place all the onset cards (blue) into one cube and the rime inserts (red) in another cube.

## To Play:

- The student rolls the onset cube, then rolls the rime cube.
- Slide the cubes side-by-side to "spell" each word. Example:
- Read each word made.
- As an extension, the student can use the Recording Sheet to write the rolled words. .
