

Word Study Organization

Word Study Envelope Template- Print onto card stock.

Students decorate their own envelope, then assemble with glue or tape. Picture cards or word cards from each student's sorts are placed in the envelope.

Word Study Routine Cards- Print onto card stock and laminate.

Students place these cards in their envelopes. Each day, students pick an activity to do each day with their word sort. Once it's completed, they check it off. (Activities with an * will need to be done with another person, whether it be a parent, teacher, tutor, or fellow student.)

Organization Tip: For these routines, I find it helpful that students keep a spiral bound notebook labeled "Word Notebook" so all sorting activities are kept in one notebook.

- pg. 3 - appropriate activities for Letter Name-Alphabetic Speller sorts
- pg. 4 - appropriate activities for Within Word Pattern and some Syllable/Affixes speller sorts
