

Long Vowels Roll-a-Word Activity

See how we used this printable [here](#).

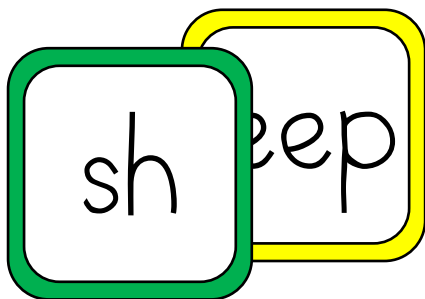

For use with Photo Stacking Blocks, which can be purchased on Amazon. If you do not have Photo Stacking Blocks, you can adapt this activity without them or make your own stacking blocks out of Priority Mail boxes.

To Play:

- Insert 6 beginning sounds cards (pp. 2-12 of this download) into one photo stacking block.
- Insert 6 long vowel word endings (pp. 13-27) into the other photo stacking block.
- Roll the stacking blocks, reading each word you make. Tell whether it is a real or nonsense word.

To extend the activity:

- Insert different beginning sound cards or long vowel word endings to create more words together.
- Print off the recording sheet (p. 29/30) and write the words you make. Circle the real words that are spelled correctly.
- For younger readers/spellers, try the same activity with the short vowel words (find the link at the end of [my post](#)).

Please Abide by the Terms of Use: This free printable was created for you to use at home with your child/students or with multiple children in a classroom/tutoring setting. Please **do not** sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, etc.). Thank you!
