

# Alphabet Car Game

Available in both upper and lower case letters!

## TO PLAY:

- Print off either (or both) Alphabet Game Boards.
- As you are riding along, older kids can look for words that begin with each letter of the alphabet. Younger kids can look for objects that begin with each letter of the alphabet. (You just *might* have to “cheat” on some letters like *x*.)
- As letters are found (either in words or from objects) kids cross off the letter on their game board. You can go in alphabetical order or it can be random.
- Players can be competitive or work together to find all the letters.
