

Christmas Poetry Pack

Included in this Poetry Pack:

1. **One-Page Poem** – Laminate or slip into a plastic sleeve protector.
2. **Poetry Notebook Copies**- Copy this page and cut on the line. Students can use this smaller size poem to paste into a poetry notebook.
3. **Pocket Chart Poetry Strips**- Use these strips in a pocket chart to rebuild the poem together or use as an independent activity once students know the poem well.
4. **Read and Illustrate** the poem (1-pg)
5. **Cut and Glue Poetry**- Students cut apart the lines of the poetry, put them in the correct order then glue them down.
6. **Rhyming Words**- First, brainstorm a list of words that rhyme with each picture (some words are included as well as blank cards for a pocket chart). You may even work on spelling some of the rhyming words together. Ask the child to pick a few words that rhyme with each word from the poem. They can illustrate and write the rhyming words. It is fun to re-read the poem, inserting some of their rhyming words instead of the original words!
7. **Poetry Books**- Students use these book templates to make the poem into a book. There are two versions: Read & Draw and Read, Trace & Draw. This makes a great independent activity.
8. **Poetry Activity Cards**- These are activity ideas and ways kids can interact and learn with the poem. Pick and choose just a few with each poem. Once kids are familiar with how to do them, they can do it with independence. I've also included blank cards so you can create your own activities.

Terms of Use: This free printable was created for you to use at home with your child/students or with multiple children in a classroom/tutoring setting. Please **do not** sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, etc.). Thank you!

The Present

Under the tree,
Just look at that!
It's big, it's red,
So tall, so fat.

It's mine, *all mine!*
What could it be?
I pick it up to...
Oh. It's not for me.
