

Beginning Alphabet Sounds Clip Cards

Which One DOESN'T Belong?

PREP

- Print off clip cards (one for every letter of the alphabet included) onto card stock and laminate for durability.

PLAY

- Name the object on the card, emphasizing the beginning sounds.
- Use clothespins and ask the child to clip the image that DOES NOT begin with the same sound as the featured image. (Answers are included on each page.)
- If you do not have clothespins, the child can use transparent counters, pennies, dried beans or other small manipulatives to locate the beginning letter.
