

Fishing for Rhyming Words

fishing for Rhyming Words

To Prep:

- *Print animals and rhyming pictures onto cardstock. Cut out then laminate for durability.
- *Locate a magnetic fishing. We used one from a puzzle we already owned, but you can easily make your own, too.
- *Clip rhyming pictures to the backs of animals with a paper clip.
- *Place all animals on the floor or table top. {We used a “pond” made from blue poster board.}

To Play:

- *Kids take turns “catching” two animals, turning them over, identifying the picture and saying whether they rhyme or not.
- *If the pictures rhyme, kids can keep their matches. If pictures do not rhyme, they are “thrown back” into the pond.
- *My 3 year old played this game by herself with my guidance. You can see how we did it [in our post](#).

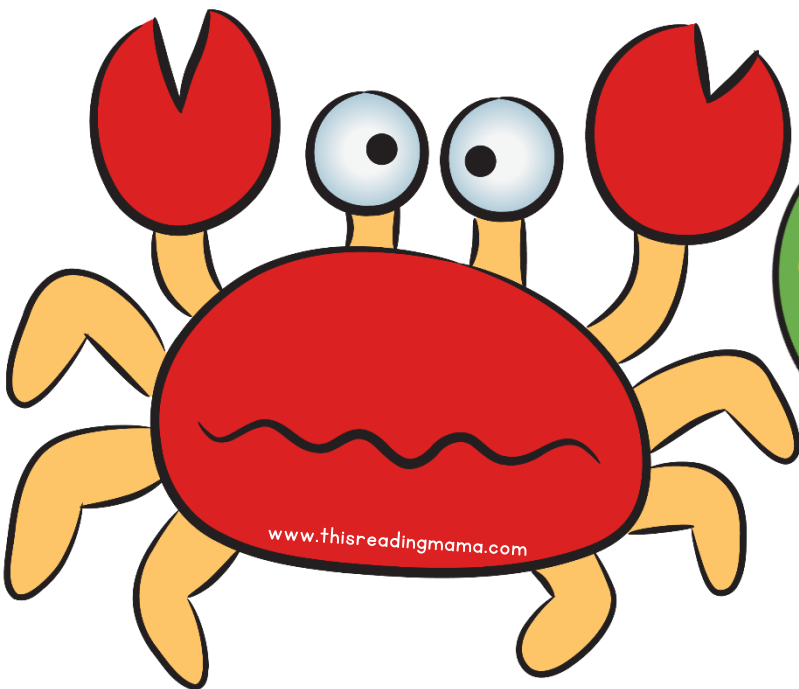

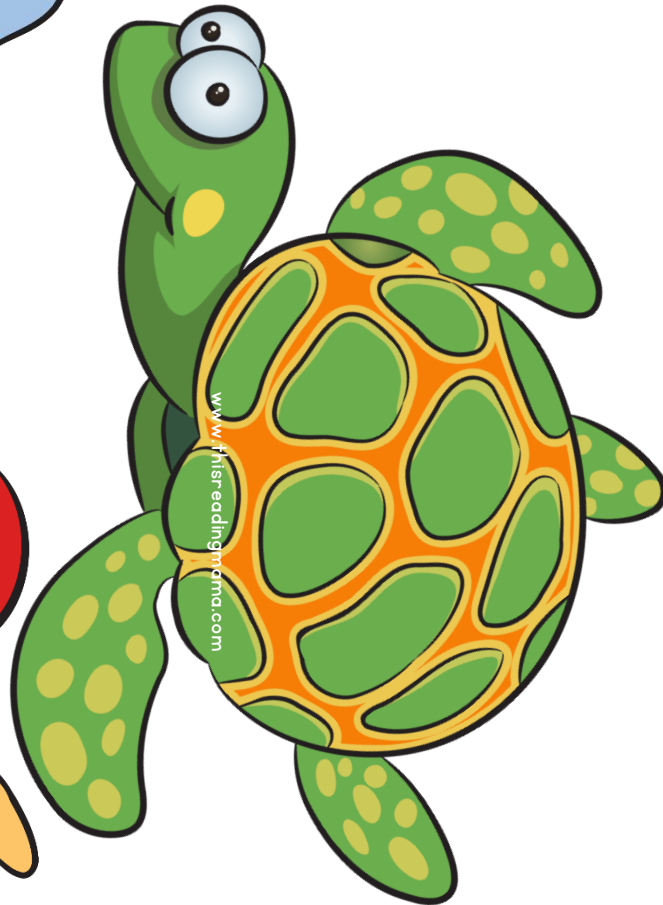

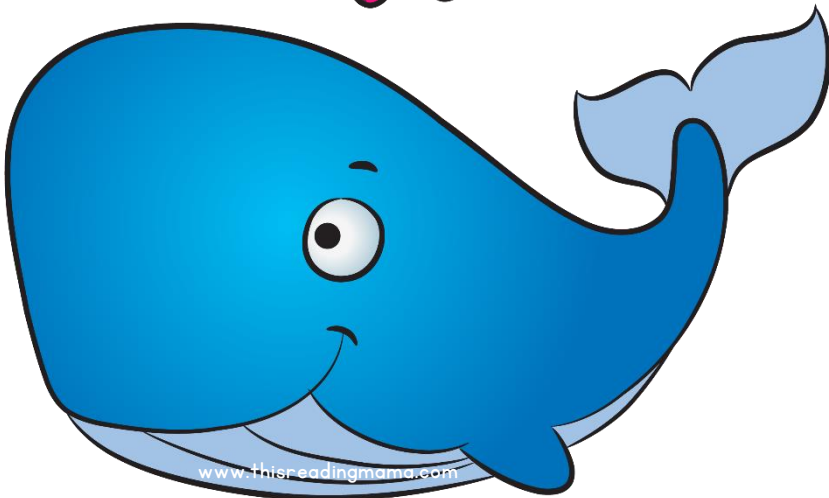

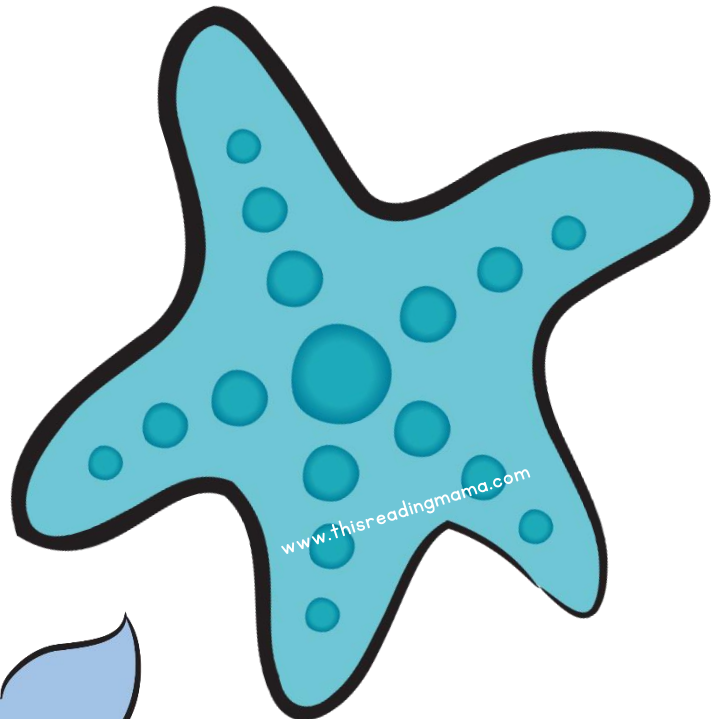

*If you'd like to include extra animals, use the fish from this [alphabet fishing game](#). If you'd like more rhyming picture cards, use the ones from our [DUPL0 Rhyming Activity](#).

Terms of Use: This free printable pack was created for you to use at home with your child/students or with multiple children in a classroom/tutoring setting.
