

SHORT VOWEL

Roll and Read Games

These short vowel games make a quick, before reading activity and work well for 2-4 players (see 1 player idea below, too!).

PREP:

- *Print the game board of choice.
- *Find a die and small playing piece for each player.

PLAY:

- *Simply roll a die, move your piece, then read the word you landed on.
- *The player who gets to "END" first is the winner.
- **Players can play competitively, only allowing the player to keep his space if he reads the word correctly. Or players can help each other if the word is read incorrectly.
- **1 student can also play by himself, racing two different colored playing pieces to the finish line.
