

SIGHT WORD CHANTS

Our [animal sight word chants](#) have been such a hit, it's time for some [people sight word chants](#)!

Sight word chants are such a multi-sensory way to practice spelling words. Now, learners can chant their words while imitating different people.

Note: Chant each letter, then say the entire word. For example, if kids draw the singer card they sing each letter like, "t-h-e" then sing, "the."
