Where are They?
Where are they? They are in the pit. They can not hop away.
“I can help!” I said.
Where are they? They sit and look. “Shh!” she said.
Where are they? They bit one, two, three. “Mmmmm,” they said.

Where are they? They are down. “Help!” they said. We can find the kit.
Where are they? They are with me. They can hit it.
“What a big hit!” I said.

Where are they? They can run and jump.
“We are fit!” they said.
