

# Letter Reversal

## Roll & Write Pages

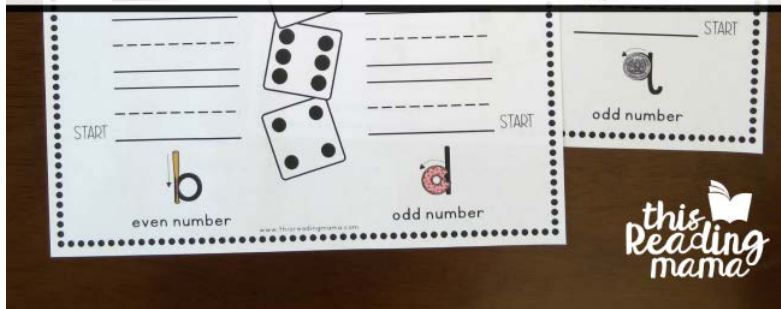

These Letter Reversal Handwriting Pages are great practice for those tricky b's, d's, p's, and q's.

With two levels included {in color and blackline}, you'll have a quick and game-like activity that's perfect for some extra independent practice!

# Roll a **b** or **d**

Roll a die (or dice). If you roll an even number, write one *b* in its column. If you roll an odd number, write one *d* in its column. Make sure you write the letters the correct way. Which letter will get to the end first?

END

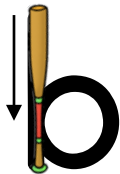

Handwriting practice lines for the letter 'b'. The page contains ten sets of horizontal lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line. The word 'END' is written at the top left, and 'START' is written at the bottom left.

END

Handwriting practice lines for the letter 'd'. The page contains ten sets of horizontal lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line. The word 'END' is written at the top right, and 'START' is written at the bottom right.
