THANK YOU for your honesty. It helps protect my creations and allows me to keep making more freebies to share with you!

Please Note!

The needs of your preschooler may be different. Feel free to create your own folder that better matches the needs of your preschoolers using any of my free preschool printables. <https://thisreadingmama.com/preschool-printables/>

I **DO NOT** have plans to modify or change this resource to match the needs of every preschooler. I **DO** have a spelling folder for Kindergartners if your learners are ready for more. <https://thisreadingmama.com/kindergarten-spelling-folder/>
