# SPIRAL SPELLING

Directions: Write a spelling word in each blank of the spiral. Write the same word or different words.

# SPELLING PHOTOS

Directions: Write a spelling word at the bottom of each "photo." Draw a picture to match the word.

# MAGIC SPELLING

Directions: Use a white crayon to write a spelling word in each blank. Then color over the word with a washable marker to "magically" reveal the word.

[illegible]

# COPY, COVER, SPELL

Directions: In the first column, copy the word. In the second column, just glance at the word from the first column. Before you write the word in the third column, cover the first and second column to spell it from memory.

[illegible]

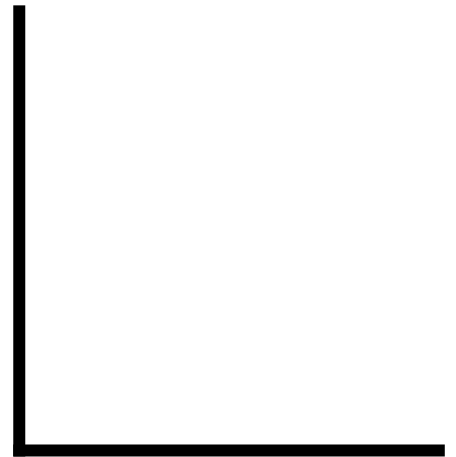

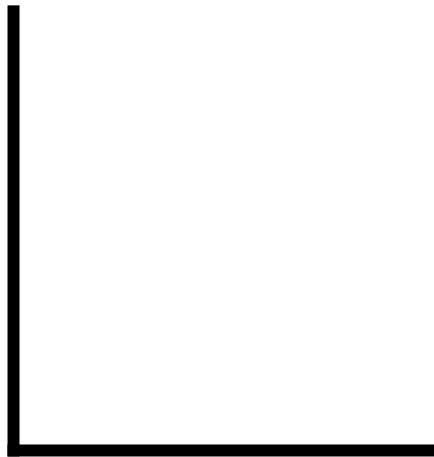

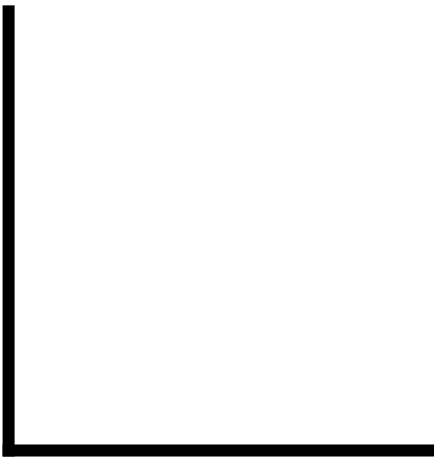

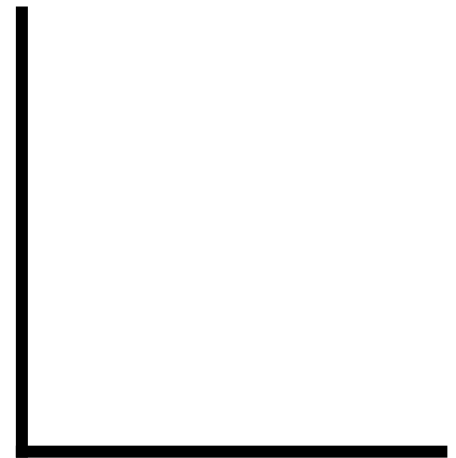

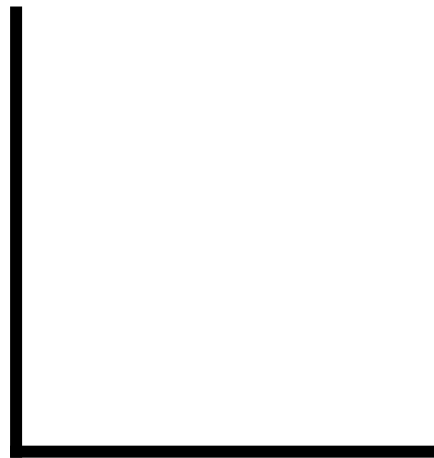

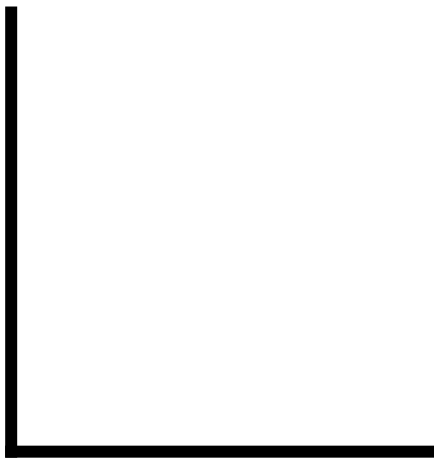

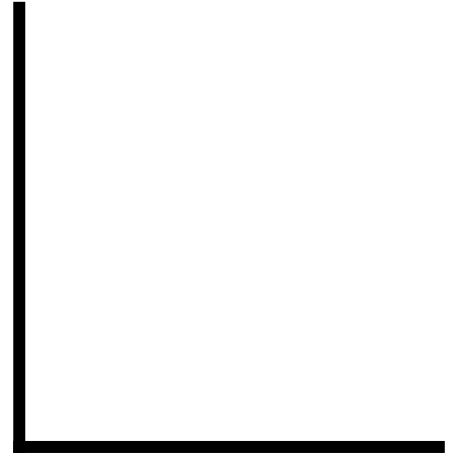

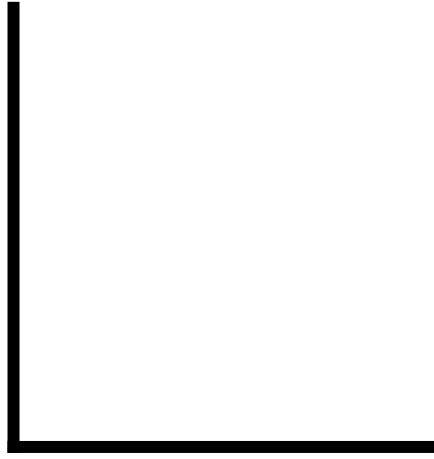

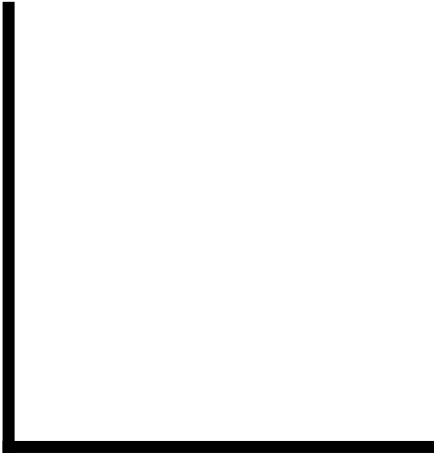

# SPELLING STEPS

Directions: Write only the first letter of the word towards the top of the L. Under it, write only the first two letters of the word. Under that, write only the first three letters of the word. Continue down the "steps" until you've spelled the entire word.

# SPELLING STEPS

Directions: Write only the first letter of the word towards the top of the L. Under it, write only the first two letters of the word. Under that, write only the first three letters of the word. Continue down the "steps" until you've spelled the entire word.

# SPELL & PLAY

Suggestions: 1- Write one spelling word on each card. Cut apart and hide them around the room for a game. 2- Write double of each word to play memory match. 3- Play using the Spell It Out Loud game board. 4- Create another fun game with your words.

# SPELL it OUT LOUD

Directions: Play with a partner. Pick a word card. Roll a die and move that many spaces. Spell your word out loud in the way the game board tells you. Can you spell it from memory?

# SPELLING PAGES for ANY spelling list

## Example Pages:

If your spellers have never used these activities, SHOW them how to use the pages before you give the pages to them. Here are a few example pages in case you need to know how to use them, too. 😊

# SPIRAL SPELLING

Directions: Write a spelling word in each blank of the spiral. Write the same word or different words.

# SPELLING STEPS

Directions: Write only the first letter of the word towards the top of the L. Under it, write only the first two letters of the word. Under that, write only the first three letters of the word. Continue down the "steps" until you've spelled the entire word.
