# VOWELS

*print font letter "tiles"*

Why are there red and black *w*'s and *y*'s?

A long time ago, I learned this chant:

**The vowels are:**

**A, E, I, O, U**

**And sometimes Y and W.**

For example, *y* is a consonant in the word *yam*, but it is a vowel in the word *happy*. *W* is a consonant in the word *watermelon*, but part of a vowel team in the word *snow* and *blew*.
