Counting Clip Cards

To Prep:

Cut out the clip cards (4 per page). Younger children may enjoy the 1-10 cards starting on page 3 while older children may be ready for the 11-20 cards starting on page 9.

To Use:

Learners count the objects on the card and clip the correct number. To make them self-checking, draw a star or smiley face on the back of the cards where the answer should go. Enjoy!
