

CHRISTMAS

word search puzzles

Enjoy these Christmas-themed word search puzzles with your learners. Each puzzle includes 12 words specific to a syllable type pattern.

You'll find a puzzle for closed syllables (p. 3), open syllables (p. 4), CVCe syllables (p. 5), *r*-controlled syllables (p. 6), vowel team syllables (p. 7), and final stable syllables (p. 8). The answer keys start on p. 9.

At the bottom of the puzzle are Christmas-themed pictures. The pictures may relate to winter, various "Christmas Around the World" traditions, or the nativity story. Three helps are given. First, the number of letters in the word is indicated by the number beside the picture. Second, if the answer has two words like "ice skate" on page 5, two blanks are provided with the

number of letters in each word under the blanks. Lastly, the word is hidden in the puzzle.

Note: In order to get enough words for each puzzle, there may be some that are unknown to your learners. I recommend going over them ahead of time. For example, "nutmeg" on p. 3 or "cloves" on p. 5 may be tricky.
