Merry Christmas! Let's count down {or up} until Christmas Day.

Enjoy these FREE Christmas dot pages with your young learners. There are two options in this download: 1- counting up from 1 to 25 and 2- counting down from 25 to 1. Starting on December 1st, learners can use dot paint to dot the numbers, one number each day until December 25th. If you don't have dot paint, learners can color the numbers or glue small pom-poms on the number each day until you've counted down {or up} to Christmas Day.

All five pages come in color AND in blackline. Simple number charts {or cards if you cut them apart} are also included. These charts/cards can be used to reinforce the numbers as your learners dot or cover each number.

Terms of Use:
