## sorting cards

Learners can use these FREE snowman cards to sort the snowman by different features. Some ideas include: 3 body parts, 2 body parts, wearing a hat, wearing a scarf, has buttons, has "hands," has coal for a mouth, looking to the left, and/or looking to the right.

You can either tell learners which features to sort by or let learners partner up and think of their own features to sort by, with the partner guessing. Enjoy!
